

# Formula Milks—Ingredients

February 2017

Please note: This product sheet contains information correct at time of publication. However, recipe may change so always check product packaging for the latest information.

Product	Ingredients
<b>Infant milks - suitable from birth onwards</b>	
First Infant Milk 1: 800g powder	Organic skimmed <b>milk</b> , organic <b>whey</b> powder (partially demineralised), organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic <b>lactose</b> , prebiotic fibres (galacto-oligosaccharides from <b>lactose</b> ), <b>whey</b> protein, potassium citrate, calcium chloride, LCP oils ( <b>fish</b> , vegetable oil from <i>Mortierella alpina</i> ), L-phenylalanine, sodium citrate, calcium carbonate, magnesium sulphate, calcium orthophosphate, vitamin mix [vitamin C, vitamin A, thiamin (vitamin B1), vitamin B6, pantothenic acid, niacin, vitamin E, folic acid, vitamin K, vitamin D, riboflavin (vitamin B2), biotin, vitamin B12], L-tryptophan, iron sulphate, zinc sulphate, stabiliser (lactic acid), inositol, copper sulphate, potassium iodate, manganese sulphate, sodium selenate.
First infant milk 1: 200ml ready-to- feed	Organic demineralised <b>whey</b> , organic skimmed <b>milk</b> , water, organic vegetable oils (rapeseed oil, palm oil, coconut oil, sunflower oil), organic lactose, prebiotic fibres (galacto-oligosaccharides from <b>lactose</b> ), <b>whey</b> protein, emulsifier lecithin ( <b>soya</b> ), potassium citrate, LCP oils (vegetable oils from sunflower oil, <i>M. alpina</i> and <i>C. cohnii</i> ), calcium citrate, L-phenylalanine, vitamin mix [vitamin C, niacin, pantothenic acid, vitamin E, A, thiamin (B1), B6, folic acid, vitamin K, D, biotin, B12], sodium citrate, calcium chloride, potassium chloride, calcium phosphate, magnesium sulphate, sodium chloride, calcium hydroxide, iron sulphate, potassium iodide, zinc sulphate, potassium hydroxide, L-tryptophan, sodium selenite, copper sulphate, manganese sulphate.
First infant milk 1: 90ml ready-to-feed	Organic <b>whey</b> partially demineralised, organic skimmed <b>milk</b> , water, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic <b>lactose</b> , galacto- oligosaccharides from <b>lactose</b> , <b>whey</b> protein, emulsifier <b>soya</b> lecithin, potassium citrate, calcium dicitrate, LCP-containing vegetable oil (from <i>Mortierella alpina</i> and from <i>Cryptocodium cohnii</i> ), vitamin C, sodium citrate, calcium chloride, L-phenylalanine, potassium chloride, calcium orthophosphates, sodium chloride, calcium hydroxide, magnesium hydroxide, L-tryptophan, zinc sulphate, potassium hydroxide, ferrous sulphate, vitamin E, niacin, pantothenic acid, copper sulphate, vitamin A, vitamin B1, vitamin B2, vitamin B6, potassium iodate, folic acid, vitamin K, manganese sulphate, sodium selenite, vitamin D, biotin, vitamin B12.
Hungry infant milk: 800g powder	Organic skimmed <b>milk</b> , organic <b>lactose</b> , organic vegetable oils (palm oil, rapeseed oil, sunflower oil), prebiotic fibres (galacto-oligosaccharides from <b>lactose</b> ), calcium carbonate, potassium citrate, LCP oils ( <b>fish</b> , vegetable oil from <i>Mortierella alpina</i> ), L-cystine, vitamin mix [vitamin C, pantothenic acid, niacin, vitamin E, vitamin A, thiamin (vitamin B1), vitamin B6, vitamin K, riboflavin (vitamin B2), folic acid, biotin, vitamin D, vitamin B12], potassium phosphate, L-tryptophan, inositol, ferrous sulphate, stabiliser (lactic acid), sodium chloride, magnesium sulphate, zinc oxide, copper lysine complex, manganese sulphate, potassium iodate, sodium selenate.
Hungry infant milk: 200ml ready- to-feed	Organic skimmed <b>milk</b> , water, organic <b>lactose</b> , organic vegetable oils (rapeseed oil, coconut oil, palm oil, sunflower oil), prebiotic fibres (galacto-oligosaccharides from <b>lactose</b> ), emulsifier ( <b>soya</b> lecithin), LCP oils (vegetable oils from <i>Mortierella alpina</i> and from <i>Cryptocodium cohnii</i> , sunflower oil), vitamin mix [vitamin C, vitamin A, thiamin (vitamin B1), riboflavin (vitamin B2), vitamin B6, pantothenic acid, folic acid, niacin, vitamin B12, vitamin D, vitamin E, biotin, vitamin K], sodium citrate, L-cysteine, potassium hydroxide, potassium hydrogen carbonate, sodium chloride, zinc sulphate, ferrous sulphate, magnesium carbonate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.
<b>Follow On Milks - Suitable from six months onwards</b>	
Follow on milk 2: 800g powder	Organic skimmed <b>milk</b> , organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic <b>lactose</b> , organic <b>whey</b> partially demineralised, prebiotic fibres (galacto-oligosaccharides from <b>lactose</b> ), calcium carbonate, emulsifier ( <b>soya</b> lecithin), vitamin mix [vitamin C, niacin, vitamin E, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin B6, riboflavin (vitamin B2), folic acid, vitamin K, vitamin D, biotin, vitamin B12], ferrous sulphate, potassium chloride, sodium chloride, L-tryptophan, zinc sulphate, magnesium carbonate, copper sulphate, potassium iodide, manganese sulphate, sodium selenite.

Follow on milk 2: 250ml ready-to-feed	Organic semi skimmed <b>milk</b> , organic partially demineralised <b>whey</b> , water, organic <b>lactose</b> , organic vegetable oils (rapeseed oil, sunflower oil), emulsifier lecithin (from rapeseed), galacto-oligosaccharides from <b>lactose</b> , vitamin mix [vitamin C, vitamin E, niacin, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin B6, folic acid, vitamin K, vitamin D, biotin, vitamin B12], potassium hydroxide, sodium citrate, ferrous sulphate, magnesium sulphate, zinc sulphate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.
Good night milk: 350g powder	Organic <b>skimmed milk</b> , organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic starch, organic <b>lactose</b> , organic whey powder (partially demineralised), organic wholegrain rice flakes 3%, organic buckwheat flakes 3%, emulsifier: <b>soya lecithin</b> , calcium carbonate, vitamin C, potassium chloride, L-tryptophan, ferric diphosphate, vitamin E, niacin, zinc oxide, pantothenic acid, copper sulphate, thiamin (vitamin B1), vitamin A vitamin B6, zinc sulphate, riboflavin (vitamin B2), potassium iodate, folic acid, manganese sulphate, vitamin K, biotin, sodium selenite, vitamin D, vitamin B12.
<b>Growing Up Milks—From the twelfth month onwards</b>	
Growing up milk 3: From the 12 <sup>th</sup> month to 2 years: 600g powder	Organic skimmed <b>milk</b> , organic <b>lactose</b> , organic vegetable oils (palm oil, rapeseed oil, sunflower oil), prebiotic fibres (galacto-oligosaccharides from <b>lactose</b> ), calcium carbonate, emulsifier ( <b>soya</b> lecithin), potassium citrate, calcium phosphate, ferrous sulphate, sodium citrate, vitamin mix [vitamin C, niacin, vitamin E, pantothenic acid, vitamin A, riboflavin (vitamin B2), thiamin (vitamin B1), vitamin B6, folic acid, vitamin K, vitamin D, biotin, vitamin B12], magnesium carbonate, potassium chloride, L-tryptophan, zinc sulphate, copper sulphate, potassium iodide, manganese sulphate, sodium selenite.
Growing up milk 3: From the 12 <sup>th</sup> month to 2 years: 250ml ready-to-feed	Organic semi skimmed <b>milk</b> , organic partially demineralised <b>whey</b> , water, organic <b>lactose</b> , organic vegetable oils (rapeseed oil, sunflower oil), emulsifier lecithin (from rapeseed), galacto-oligosaccharides from <b>lactose</b> , vitamin mix [vitamin C, vitamin E, niacin, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin B6, folic acid, vitamin K, vitamin D, biotin, vitamin B12], potassium hydroxide, sodium citrate, ferrous sulphate, magnesium sulphate, zinc sulphate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.
Growing up milk 4: From 2-3 years: 600g powder	Skimmed <b>milk</b> , vegetable oils (palm oil, rapeseed oil, sunflower oil), <b>lactose</b> , fibre (galacto-oligosaccharides from <b>lactose</b> ), minerals (potassium citrate, calcium citrate, calcium orthophosphate, magnesium sulphate, ferrous sulphate, potassium iodate), vitamins (vitamin C, vitamin E, vitamin B2, vitamin A, vitamin D, biotin, vitamin B12), stabiliser lactic acid.
<b>Specialist milks- from birth onwards</b>	
Comfort milk: 800g powder	Vegetable oils with beta-palmitate (palm kernel oil, palm oil, rapeseed oil, sunflower oil), maltodextrin, <b>lactose</b> , <b>whey</b> protein hydrolysate, starch, prebiotic fibres (galacto-oligosaccharides from <b>lactose</b> ), calcium orthophosphates, emulsifier: citric acid esters of mono and diglycerides of fatty acids, potassium chloride, LCP oils ( <b>fish</b> , vegetable oil from <i>Mortierella alpina</i> ), potassium hydroxide, magnesium chloride, choline, sodium hydroxide, L-tyrosine, L-phenylalanine, vitamin C, taurine, inositol, L-tryptophan, calcium carbonate, vitamin E, ferrous sulphate, L-carnitine, niacin, zinc oxide, pantothenic acid, copper sulphate, riboflavin (vitamin B2), vitamin A, thiamin (vitamin B1), vitamin B6, vitamin K, manganese sulphate, potassium iodate, folic acid, biotin, vitamin D, sodium selenate, vitamin B12.
Anti-reflux milk: 800g powder	Organic skimmed <b>milk</b> , organic <b>whey</b> product, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic maltodextrin, thickener: carob bean gum, organic <b>lactose</b> , minerals (calcium carbonate, calcium chloride, calcium orthophosphates, potassium chloride, zinc sulphate, iron sulphate, magnesium carbonate, sodium chloride, copper lysine complex, potassium iodate, sodium selenite, manganese sulphate), LCP oils ( <b>fish</b> oil, vegetable oil from <i>Mortierella alpina</i> ), vitamins (vitamin C, niacin, vitamin E, pantothenic acid, vitamin B1, vitamin A, vitamin K, vitamin B6, vitamin B2, folic acid, vitamin D, biotin, vitamin B12), L-tyrosine, L-phenylalanine, stabiliser lactic acid, L- tryptophan.
